Dear Owen and Charmaine

### **TUGLEA CANOE MARATHON 2012**

I'd like to formally thank you for your sponsorship of the lucky draw boat and your committed involvement in our unique event. Despite the confusion on Saturday's paddle, the social integrity of the race was maintained and fun was had by all in attendance.

Popes Canoe Centre and your family's personal involvement in the Tugela is a vital ingredient in the success of our beloved race. Your sponsored team is always up for it and represent your brand extremely well.

Further to that, a hearty congratulations from Crusaders on your 25<sup>th</sup> consecutive partaking of the Tugela, a truly remarkable achievement.

We look forward to many more successful Tugela's and hope that you will still be involved for many years.

Thanks again for your generosity and enthusiasm.

Look forward to seeing you on the river and in your shop soon.

Yours faithfully

**ROBERT LEVINSON**
